Beautiful East Tennessee offers this exceptional 60.5 acres farm nestled pristinely in the Tennessee countryside. Wonderful views of the Viking Mountain range and pristine farmland are seen from almost everywhere on the property. The property has a newly renovated bardominium that would make a wonderful home or a great place to live while building your dream home. The property also has a 52 x 40 barn that's in great shape to house horses and farm equipment. There is a large spring on the property that continuously runs and supplies the house and freeze proof livestock watering troughs. The land lays extremely well and is well suited for a family compound and easily divisible. Convenient to Johnson City and Greeneville. A once in a lifetime property.
